DETAILS:

I went to the Route 91 festival as a girls weekend with 7 girlfriends. Standing stage right next to the bar. Moving down the middle of the field closer to the stage. Singing and dancing hearing 6 pops and wondering what the hell. Then a guy ran by saying shots shot. Then the gentleman behind people to run. Next rounds of the pop and I remember the 3rd stop there till that round ends 1-2 mins maybe. Ran across the field and hid behind the tall stand on the right side. Moved to near (of face) intersection of the Tropicana on Las Vegas Blvd. More shots going off to the left saying pop down the rows of porta-potties. There's an exit door there. No exit. We jumped the fence due to hearing bullets and hearing where shots were coming from. We thought there was a shooter in the crowd. Jumping the fence ran to the inner fence that the vendors are. Went behind them + in between the vendor trailers to the gates and out of entrance gate 3. We went across to the Tropicana parking lot then over to MGM and stood out front for 5 mins.

DETAILS:

I was near the stage on right side, with my wife and friend. Aldean was playing a song. A few shots went off, what originally sounded like firecrackers. Everyone ignored. Then more went off. At that point we started to move out of the crowd. I saw Aldean turn toward the screen, to see what was going on. More shots and longer amount of time. We ran to the nearest shelter, a food stand. We can't the shots were coming from the street area so we tried to get to the back of the access area. We ran from food stand to go inside here. I saw one guy walk in, holding his head, and blood coming down his face. We moved under a storage area, then ran across the grassy area toward the Tropicana. Several people had fallen. I thought it was a people because I didn't see any bullet hitting things. The shots were getting longer as it seemed a crowd ran behind a wall out to Tropicana. We tried to go into first door but someone said they're shooting in hotel. We went to second door and attendant let us in. We went up to our room and stayed

The cut stayed and followed the exact same search. We had a large group and were calling to make sure everyone was ok. One friend could not be found. She's at Sunrise Hospital.

What was going on in my head when we were running was to stay close for my daughter. She back in L.A. with my sister.

DETAILS:

I HAVE BEEN TOLD BY MANY LAW ENFORCEMENT FRIENDS AND FAMILY THAT IT IS A GOOD IDEA TO WRITE A STATEMENT REGARDING MY OBSERVATION OF THE INCIDENT. FIRST OF ALL NO INJURIES OCCURRED TO EITHER MY WIFE OR MYSELF. THE ONLY PROPERTY LOST AT THE SCENE WAS ONE BLUE BRACELET.

WHEN LOOKING AT THE STAGE, MY WIFE & I & APPROX. 15-20 FRIENDS STOOD APPROX. 40 FEET FROM THE STAGE, ON THE GRASS SECTION CLOSEST TO THE MANDALAY BAY. AT APPROX 10:00PM (2200 HOURS) WE HEARD SOUNDS SIMILAR TO GUNFIRE. AT THIS POINT I THOUGHT IT WAS FIREWORKS. IN AN EFFORT TO SEE WHO WAS CAUSING THE DISRUPTION, I LOOKED AROUND TO FIND THE RESPONSIBLE PARTY. A SECOND ROUND OF SOUNDS BEGAN & I WITNESSED ONE PERSON GET HIT. AT THIS POINT I KNEW THAT IT WASN'T FIREWORKS. I LAYED ON MY WIFE UNTIL THE SOUNDS STOPPED. AT THIS POINT WE GATHERED OUR

WE RAN UP 12 FLIGHTS OF STAIRS IN AN ATTEMPT TO GET TO OUR ROOM, ONLY TO FIND THAT THE STAIRCASE WAS THE WRONG STAIRCASE & LED US TO THE MAIN PYRAMID BUT NOT THE EAST TOWER AFTER GOING BACK DOWN THE STAIRS, WE MADE OUR WAY OUT OF THE BACK OF THE LUXOR HOTEL AND THE PARKING STRUCTURE AND SAW FRANK SINATRA DRIVE WHERE I FLAGGED DOWN AN ESCALADE, POSSIBLE CAR SERVICE. DETAILS:

I was at the Bayeg venue on the left side of the stage when I began hearing these pop sounds from the right. I stopped looked around and then more rapidly heard the shots. As soon as it happened I started running away. It sounded like the were coming from above and then coming straight at me. I kept running to the back end of the venue and heard the shots still coming after getting in the bar area I stopped and hid. Then heard the shots coming toward me so I got up and kept running till I couldn't run anymore and jumped the metal iron fence I got into the car of a stranger to keep on going far away from the venue. 4

DETAILS:

At the time of the incident, I was with a group of 6 people, including myself. We were positioned approx. 40 feet from the stage and approx. 10-15 feet left of center, facing the stage. When the shooting happened, our group became separated as one individual and myself got low to the ground, while the other 4 ran northeast. It was at this time that one of our group, [redacted], was shot near her right eye. [redacted] remains in a coma, in critical condition at Sunrise Hospital.

After remaining low to the ground for approx. 30 secon my friend, [redacted], and I began to run northeast toward the airport (toward the closest exit). We made it out of the exit and quickly observed an emergency vehicle parked nearby. We hid behind this vehicle for approx. 15 minutes until we no longer heard gunfire for a sustained amount of time. At this time, we ran back to the MGM Grand

DETAILS

Attended the event with 3 friends, we were sitting center, in front of center bar. Jason Aldean was playing and thought they were fireworks coming from behind main stage, Mandalay Bay side. Then Jason continued to sing then another round of shots and people started to run. I ran with my son and boyfriend. When the shots got closer we laid on the ground. Then got up and started running. My boot were off so it was hard to run on the rocks. We ran towards a gate that was closed and the crowd was close so we hid under a trailer Truck with others. Then we began to run again. One friend got shot in leg other the back they ran another way, stayed in communication with them once we got scattered. One friend in Hostess. The Tropicana we made it to the Mandalay Bay airport.

About 15-20 minutes in to Jason Aldean I heard five or so pops that sounded like firecrackers. The guy in front of me went down to his knees. There was a pause and more shots were fired. People were yelling get down. We got on the ground. Then we stood up. more shots fired. Someone yelled run! so we did. We passed bloody bodies on the ground. We ran and hid behind things. We eventually made it to the hospital. We went in a room when someone yelled run so we did again. We made it to the MGM where we found triage for an injured person we found on the bridge to MGM. We were there for awhile then made our way out to the street. MGM is also evacuated. We found someone to drive us in to the hospital for the injured person.

[redacted] was located in the back east side of the venue near the sound board at the time of the shooting. [redacted] recalled that he saw what appeared to be a blinking green light that he described as a light indicating that recording was going on, approximately 10-11 levels up the middle of the Mandalay Bay hotel. [redacted] smelled phosphorus after the shooting started, and said he recognized the smell because that is what tracer rounds smell like, as he is familiar with shooting tracer rounds with his father when they go shooting. After the shooting started, [redacted] was hit in his forehead, possibly by a ricochet bullet. [redacted] started recording on his phone after as the shooting was taking place, but because the phone was in his pocket, there is only audio that lasts approximately 30 minutes long. [redacted] was at Route 91 Harvest Music Festival with his girlfriend, but was unaware of how she was doing because they got separated.

DETAILS I was standing on the left side of the stage almost center stage ALL I heard was what sounded like fire crackers, my husband pushed me to the ground after Jason Aldean was rushed off the stage, when the sound (popping) stopped my husband grabbed my hand & said we needed to run, as we got up, I looked behind me & saw there was a girl laying on the ground in a pool of blood. She was maybe 3 people behind me, we ran until we were behind a building where we could still hear the popping. Once it was cleared we were rushed to the helicopter

back stage to grab my bag and left to my car. I received call from my coworkers who were hiding inside restrooms. Every happened so fast. The first thing I did was to call my wife and basically told her I loved her and that I did I knew if I was able to make it home. Shots were coming from every where, my whole life passed through me. I have not been or felt normal since that day. I feel nervous I went to work after 3 day later. I felt lost. I feel anxiety being in big crowded rooms. I have been coming to therapy and has helped me.

DETAILS While attending the Route 91 Harvest Festival concert on 10-1-2017 I heard gunshots coming from above. I pulled my sister to the ground with me. When there was a pause in the gun fire we began to run for the EXIT. When I was three fourths of the way to the exit I was shot in the lower portion of my back close to my spine. I continued running and hid underneath a budweiser trailer until the gun shots stopped again. When they stopped I ran out the exit to the street and hid behind a police car in the street. A man who said he was a "fire medic" looked at ~~my~~ the wound on my back. A truck stopped and the man picked me up and put me in the back of the truck along with other gun shot victims. The driver took us to Sunrise hospital where I was treated for my gun shot wound.

DETAILS:

I was standing several feet away from the stage (do not know the distance) when around 10:00 am I heard pop pop pop pop... I turned around to see if anyone shot firecrackers. A few seconds later I heard pop pop pop pop... again and then a young girl a few feet to the right of me told me that someone has been shot and is down on the ground next to her. People started screaming and saying "get down" "get down" "down now" so I laid down on the floor. My friend was next to me, and she was down too. Other people were down around us and we stayed there for a while (I do not remember how many minutes). Then, most of the people around us were starting to get up and run. Some stepped on me. I got up and I told my friend to start moving but she was not moving. I yelled for

help and one man came over. I was checking her pulse, her lips were blue, and her eyes did not move. He started doing chest compressions on her and then others were yelling to get off the field. I ran to the side and hid at the bottom of the bleachers and stayed there with a group that was tending to a man with a gun shot wound to the leg. They put a belt on his leg - a nurse who was in a crowd to was tending to him. I turned my camera on the phone "ON" to film if a shooter was to approach me. After a few seconds, I ran back onto the field to lay down next to my friend. I asked her again and again to get up and move but she was not responsive. I stayed next to her and tried to find her pulse again but was not able to find it. Then, two guys came to us and asked me if I was hurt. I said no and he said, to run over silver fences. I said I have to stay with my friend and one guy went toward above my friend and the other one pulled me up and told me to run over the silver fence. The other guy checked my friend and said "NO PULSE" and put a red bandana over her face. The guy walked me to the fence and pushed me up over the fence. Someone by the fence told me to run toward the church by Tropicana. I ran and hid behind a police car for a few seconds. They told me to run towards Tropicana back entrance where people were taking the wounded. I went into the medical area and looked for my friend and other 5 friends. Could not find any one. I stayed there for a while and then went to my room at Tropicana.

DETAILS my husband and I were attending the Route 91 Harvest festival ~~[illegible]~~ when facing the stage, we were on the left side near the front, by the long strip. Jason Aldean was about 3-4 songs in (he started at around 9:45pm) Stage around 10 when the sounds of fireworks or loud pops were heard. We could see people falling over, & people were screaming it was just fireworks. The sound got louder & around 1005 me & my husband Aldean ran off stage. My video recorded at 1006 as we were confused. We ducked to the ground. My husband told me to run east & that he was going to help. A woman standing next to us was shot a few times in the chest & we was trying to plug her wounds. I was pushed down & laying on top of 2-3 girls. A man grabbed me by the arm & told me to run for my life. The shooting was coming from the west. It sounded very close & you could hear the bullets ricochet off the ground & hitting people. I tried grabbing the women off the ground I was covering & they were not moving, so I ran alone, East direction. I could see ahead of me, the fence torn down, but people were being trampled.

Event #: 171005-2452

I started running northeast and hit a fence. The shooting stopped for a moment. A woman was caught on the fence by her shorts ~~and~~ The shooting started again & it sounded closer. The man behind me threw me over and was shot. Another witness with me that night said he was hit in the head. After I fell over, in fear I took off my boots & ran barefoot. After running about 2 blocks I ran so hard the skin on my right foot was worn off. A truck carrying injured people pulled me into the bed of the truck & continued East. Eventually I got in a car that drove us to a timeshare in Henderson where my brother picked me up.

My husband escaped by running southeast & rescued about 30 people by getting onto the airfield. Airport people kept him safe til we could pick him up.

Injuries I sustained: left foot slightly sprained
right leg knee (possibly ACL) bruised, multiple bruises around body & skin on bottom right foot torn off

DETAILS I WAS AT THE FRONT LEFT OF THE STAGE. AS THE MUSIC WAS PLAYING I HEARD WHAT I THOUGHT WAS FIRECRACKER COMING FROM IN FRONT OF ME. IT HAPPENED A 2ND TIME AND THATS WHEN THE MUSIC STOPPED AND WE WERE TOLD TO GET DOWN. AFTER IT STOPPED THE 2ND TIME MY GROUP AND I RAN TOWARD THE MALIBU HOUSE. WE RAN OUT THE BACK THROUGH A BOUNCE SECTION OF FENCE THROUGH THE PARKING LOT. AS WE RAN YOU COULD HEAR BULLETS HITTING NEARBY OBJECTS, THERE WAS A DELAY LEADING ME TO BELIEVE IT WAS SHOT FROM LONG DISTANCE. WE CONTINUED RUNNING UNTIL WE CAME ACROSS AN OPEN DOOR ON A PLANE HANGER FOR CAESARS PALACE. AFTER GATHERING AND GETTING MY GROUP SECURED IN A SAFE SPOT I ASSITED WITH GETTING FRANTIC PEOPLE CALMED DOWN AND WAITED UNTIL WE WERE CONTACTED BY METRO. DETAILS Jason Aldean had been on Stage for Roughly 5 Songs and was in the middle of a new song @ around 10:00 pm & 10:10 pm when Suddenly Something that Sounded like 5 or So fire Crackers went off on the Right Side of the Stage while looking at it from the crowd. I believe this would be wrong... multiple more Popping noises Started at a much higher rate... everyone got down & Security cleared the Stage while other Security went to the right/west Side to either Save Someone or help Someone... Everyone on my Side of the Stage exited South / East where Everyone was running through the Security gates and Shapes. As we were running we heard Popping & what Sounded like Ricochets hitting the pavement & Surrounding objects. We continued to run what I believe was East through Multiple dirt lots and Streets until we reached an airplane hanger where we took Cover I did See Several People have with blood on them and other wounds. We remained there until the buses arrived & took us to where I'm not Sure what the larger name was but it had Airplanes with Ceasars palace logos on it.

LVMPD 88 (Rev. 8/11) WORD 2010

On October 1, 2017, at approximately 2204 hours, I was off duty and attending the Route-91 Harvest Festival, in the city of Las Vegas. I was at the concert with family and friends, watching Jason Aldean perform. We were to the left of the main stage approximately 75 yards away when I heard the sound of what I believed to be firecrackers. As the sound of the firecrackers continued to go off, I noticed everyone around me confused. I continued to watch the performance when the sound of firecrackers continued to get faster. At that point, I observed Jason Aldean run off the stage. Once the music had stopped, I determined the sound of the firecrackers to be actual gunshots. Since I heard the gun shots coming from my right, I believed the shooter was on the west side of the venue. I ran in a south westerly direction in an attempt to get to the west side of the venue. While running in a westerly direction, I noticed people lying on the ground, with gunshots wounds. At that moment, I observed my boyfriend's little brother, [redacted] lying on the ground, just east of my location. I ran to him and observed a gunshot wound in his right bicep. I immediately wrapped my flannel on his wound and we began exiting the venue in an easterly direction. While exiting the venue, the gunshots continued and I began directing people to run east, [redacted] and I ran to E. Reno Ave. and Duke Ellington Way, where I was able to get supplies from ambulances to better wrap [redacted] wound and assist others around me. Hours after the incident, we were finally transported by an empty Metro Bus to Sunrise Hospital. Sunrise Hospital was quickly filled with critically injured patients. At approximately 0200 hours, we were transported by ambulance to St. Rose Saint Martin Hospital, where [redacted] was formally admitted. At approximately 0430 hours we were discharged.

DETAILS We were watching Jason Aldean. We heard & what we thought were fireworks. No one reacted but people seemed suspicious. We then heard what sounded like another round of fireworks. We were in middle, back part of the crowd, when facing the stage, we were to the left. After 2nd round of shots, we turned to our left & saw dozens of people on their stomachs. We ran toward the exit nearest to the airport. I heard at this point what sounded like 100s of rounds being fired from an automatic weapon. After stopping twice, we made our way to the exit & to the Aviation hangar at the airport. We were ultimately bussed from the Aviation hanger to Thomas & Mack at UNLV

DETAILS I was in the Burger Bar in the Mandalay Bay mall when the hostess said there was an active shooter. I attempted to go back to my room at the Mandalay Bay Hotel but was stopped by security. Police then cleared the casino and we gathered outside. After around 30 minutes, more police directed us to keep moving south. We eventually made it to Sunset Rd. and waited for a couple hours. After that we were bussed to UNLV where I am giving this statement. Never heard any shots personally. (10:30pm)

DETAILS:

I was standing outside of Omnia waiting to go in. We were told the night went was cancelled. I heard what sound like gun shots. I started running into the Casino floor we saw a Casino dealer yell they told us to hide under the table. Then another dealer came to tell us that there were shooting outside so I ran. I was running and as I got into the rooms all the doors were forced. We had ran into the dealers room. The security there and escorted us into the club. Security then instructed us that we could not use our cellphones. This was of 11pm we were moved around until 4 AM. I can not sleep. I hear shots. I am very anxious any little sound spooks me. I am scared for my children and kids. Was at Desert Springs hospital a bullet missle in my left leg because of the running. Paranoid about locked doors I rather sleep with bedroom door wide open. Today I was still stressed I was not able to go to work. To have my family.

DETAILS Around 10pm on 10/1/17 I heard what I thought was firecrackers. The noise then became more frequent. I looked to my left and my friend was on the ground. She told me that she had been hit. She was bleeding so I told to help put pressure on the wound. Everyone then started running. I got her up and we ran and then everyone hit the ground. The gun shots seemed to stop, so we got up and ran again. The gun shots started back. I got seperated from my friend. I then followed a crowd of people to the Atlantic Aviation Airport where I remained until approximately 5:30am.

No lo entendí muy bien, ya estaba muy nerviosa porque casi no manejo por ahí porque es muy transitado, y siempre he tenido miedo manejar solo por ese blvd.

Yo iba sola, ya iba muy tensa porque en varias ocasiones me metía por calles que no eran

Ya cuando derrepente empece a escuchar tonaciones muy fuertes, pero no me detuve a pesar que me espante mucho, yo pude ser alcanzado por una bala, yo empece a ver que toda la gente corria y corria desesperada yo aceleré iba ~~[illegible]~~ a velocidad normal, pero muy nerviosa, yo calculo que estuve enfrente de la escena como 7 min, yo no sufri daño fisico Gracias a DIOS, pero si sufri mucho daño mental, yo tengo que regresar al Mandalay el lunes 09 oct. a trabajar yo tengo mucha miedo, estoy muy asustado que otro sujeto mal de su cabeza llege al casino por eso yo quiero ayudar a la policia a aportar lo que yo vivi lo que yo vi, los disparos si venian del mandalay yo lo confirmo, yo no vi al sospechoso no lo puedo identificar porque yo no quería ni volteár para arriba por temor yo lo chico que queria era salvar mi vida, yo quiero ayudar, a los policias porque temo por mi seguridad trabajando ahi, en donde ese hombre Paddoc se hospedo, yo quiero trabajar tranquila, que haya mucha seguridad, ver a los oficiales ahí, recebida ayuda spicologica, no quiero que vuelva a ocurrir un acto terrorista como ese, yo vivo aqui en las Vegas desde hace 12 años nunca había vivido algo tan terrible como ese, mi testimonio es ese que se oia como una ametralladora porque las balas eran continuas, como juegos pirotecnicos, yo de ahí me fui directo a casa a abrazar a mis 2 bebes y le doy gracias a DIOS que estoy bien viva, y que me uno a la pena de las victimas y a los familiares de las victimas de esta catastrofe matanza. Bendiciones!!

DETAILS Standing at the concert and heard what sounded like firecrackers, one of our friends said we need to run there is blood on my foot. second round started and we ran to the closest barr to hide. When we heard a small break in the gunshots we ran again to another tent to take cover. At the first tent I knew I was hit & bleeding and grabbed a cold bottle to hold against my face. At the 2nd tent I grabbed a bottle of gin and poured that into my wound. At the next break in gunshots we ran and kept running until we were inside the Tropicana hotel. At triage they saw my wound and were going to put me in an ambulance →

DETAILS On Sunday Night I was attending the Route 91 Country Festival when an active shooter opened fire on to the Crowd. My friend and I had to hop arc barriers, to hide, then run for our safety. We had been back by the sound board when we heard what we thought was fire works. When the Crowd realized it was Gun Shots we were almost trampled by the crowd since we were pushed against the barriers we had to jump the barricades to attempt to find cover, which resulted in bruising on my leg & and when the people weren't moving forward behind the barriers my friend and I had to hop another barrier and run into the house of blues bar that was set up. It was when we were running or hopping the barrier I twisted my ankle. We were then evacuated to the tropicana convention Center. The following day I noticed my ankle was still tender as well as my right upper chest & lower shoulder area was very tender.

Event #: 171001-3751

As I arrived at the hospital the emergency nurses had beds ready outside of the Hospital for patients that had been wounded at this event. I dropped the wounded ladies and I proceeded home as I arrived home. I had trouble sleeping so I got back in my car and drove back to the Hospital to find out if the ladies were ok. But the Hospital was shut down due to the event that happen. So when I got back in my car I heard a phone ringing so I looked down. I asked the police if I could see his flashlight to view the floor of my car as I looked down there was the cell phone that belong to one of the gentelmen that asked me to take the ladies to the hospital. I turned the cell phone in to the UMC Safty officer I gave a discription of the gentelmen. The officer Name was [redacted] the officer said he would turn it in to the Lost & found if he was unable to find the Gentelmen.
